

# SRIDHAR SENTHILNATHAN ( React Developer )

## OBJECTIVE

Aspiring frontend developer proficient in HTML, CSS, JavaScript, and React.js, seeking a challenging role to leverage my skills in creating interactive and user-friendly web applications. Dedicated to continuous learning, I aim to contribute to the success of a forward-thinking organization while growing as a developer and achieving professional excellence.

## EDUCATION

» Nandha Engineering College.  
Bachelor of Engineering in Electrical Engineering || CGPA: 7.6

## TECHNICAL SKILLS

- |               |                    |                   |                  |
|---------------|--------------------|-------------------|------------------|
| 1. HTML       | 4. React           | 7. Form Handling  | 10. Hooks        |
| 2. CSS        | 5. Context API     | 8. Error Handling | 11. React Router |
| 3. JavaScript | 6. API Integration | 9. Tailwind CSS   | 12. GIT & GITHUB |

## PROJECTS (GITHUB)

1. PERSONAL PORTFOLIO

Built a responsive portfolio using React.js, Tailwind, and JavaScript to showcase skills, projects, and experience with seamless navigation and an interactive UI.
2. NETFLIX CLONE

Developed a Netflix clone using React.js with a responsive UI, integrating API-based movie listings and dynamic content. Implemented user authentication and optimized performance. Used Git/GitHub for version control.

## INTERNSHIP EXPERIENCE

**Rayabhari Technologies, Bengaluru**  
**Internship Trainee | January 2025 – March 2025**

### Roles and Responsibilities:

Assisted in developing and optimizing React.js web applications, improving UI/UX and performance. Gained experience in API integration, state management, debugging, and version control (Git/GitHub). Collaborated in an agile environment to enhance efficiency and ensure timely updates.

**PROJECT** - Developed the frontend of the Yuvrus Pre-Order e-commerce website using React, ensuring a responsive and API-ready UI. Built key pages like Home, Product Description, Delivery Address, Payment, and Success based on Figma designs.
